

# Dimensional Spec Sheet

For Existing Door Fits Well!

\*If Your Door Doesn't Fit Perfectly, We Recommend a Full Pre-hung Unit.

*\*If you have Double Doors,  
Please Fill Out BOTH PDF's*

## DETERMINING THE HINGE LOCATIONS

\*Looking at the Door From The INSIDE of the Building

\*This Image Depicts a **RIGHT HAND** Inswing Door

Measuring Down From The **Top** Of The Door To The **Top** of Each Hinge

Top Of Door To Top Of **H1** (to nearest 16<sup>th</sup> in)

Top Of Door To Top Of **H2** (to nearest 16<sup>th</sup> in)

Top Of Door To Top Of **H3** (to nearest 16<sup>th</sup> in)

If There is a Lower 4<sup>th</sup> Hinge

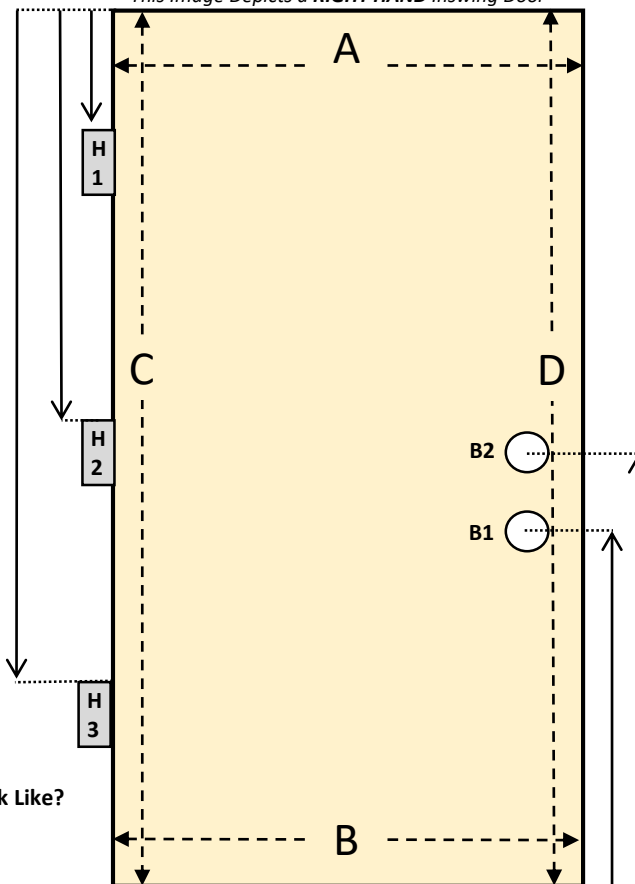

Top Of Door To Top Of **H4** (to nearest 16<sup>th</sup> in)

How Tall is Each Hinge?

- 3 1/2 Inches
- 4 Inches

What Do The Hinge Corners Look Like?

- Smooth Radius
- Sharp Square

## DETERMINING THE LOCKSET LOCATIONS

\*Looking at the Door From The INSIDE of the Building

Does Your Door Have 1 or 2 Bore Holes for Lockset?

- 1 Bore Hole
- 2 Bore Holes

Bottom Of Door To Center Of **B1** (to nearest 16<sup>th</sup> in)

Bottom Of Door To Center Of **B2** (to nearest 16<sup>th</sup> in)

\*Note: The Center of the Bore Holes Can More Easily Be Determined by Measuring Along the Edge of the Door From the Hard Bottom Edge to The Center of the Hole or Center Of the Lockset Mechanism if Present. (Deadbolt/Latch).

If Your Door Has a Door Sweep, What is the Height of The Door Sweep?

\*Measure From The Hard Edge Bottom Of the Door To Top of the Threshold.

Door Sweep Height (to nearest 16<sup>th</sup> in)

## DETERMINING THE EXACT DIMENSIONS NOT INCLUDING WEATHERSTRIPPING OR DOOR SWEEP

Width at Top (in) **A:**

Height of Hinge Side (in) **C:**

Width at Bottom (in) **B:**

Height of Lockset Side (in) **D:**

Once you have completed the *Dimensional Spec Sheet* and have verified all measurements, please scan and email a copy to [Info@MasterpieceDoors.com](mailto:Info@MasterpieceDoors.com). We will notify you once your sheet has been ordered and processed.

I hereby state that the measurements provided on this sheet are valid, verified and accurate. I acknowledge and approve the use of these measurements to be used by Masterpiece Doors for door preparation purposes. I further understand that by signing this document, **Masterpiece Doors is not responsible for inaccurate measurements** and will not issue refunds/returns for doors that have been prepared and are accurate to the measurements provided.
